The copy filmed here has been reproduced thanks to the generosity of:

Manuscript Division,
National Archives of Canada

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol ➡ (meaning "CONTINUED"), or the symbol ▼ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Division des manuscrits,
Archives nationales du Canada

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole ➡ signifie "A SUIVRE", le symbole ▼ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

IN compliance with the request contained in the above Requisition for a Public Meeting to be held at the **Court House in Simco**

EXTRACTS from the Governor's P

"Mr. Baldwin and Mr. Lafontaine came to the Government House, and after some matters of business, and some preliminary remarks as to the cause of their proceeding, demanded of the Governor General that he should agree to make no appointment, and no offer of an appointment, without previously taking the advice of the Council; that the lists of candidates should in every instance be laid before the Council; that they should recommend any others at discretion; and that the Governor General, in deciding, after taking their advice, *should not make any appointment prejudicial to their influence..* In other words, that the patronage of the Crown should be surrendered to the Council for the purchase of Parliamentary support.

"The Governor General replied that he would not make any such stipulation, and could not degrade the character of his office, nor violate his duty by such a surrender of the prerogative of the Crown."

 support.

"He had at the same time objected, as he always had done,
 to the exclusive distribution of patronage with party views;
 and maintained the principle, that office ought in every in-
 stance to be given to the man best qualified to render efficient
 service to the State."

 "The Governor subscribes entirely to the Resolutions of the
 Legislative Assembly of the 3rd September, 1841, and consid-
 ers any other system of Government, but that which recogni-
 zes responsibility to the people, and to the Representative
 Assembly, as impracticable in this Province."

"If, indeed, by Responsible Government the Gentlemen of
 the late Council mean that the Council is to be supreme, and
 the authority of the Governor a nullity, then he cannot agree
 with them, and must declare his dissent from that perversion
 of the acknowledged principle."
